

## **What is ekklesia?**

*Ekklesia is a Greek word defined as “a called-out assembly or congregation.” It is most commonly translated as church.*

## **Why is it important?**

- 1) It is the language used by God in his word to describe one of his greatest designs... the CHURCH.*
- 2) It is important that followers of Christ are called to be set apart and different. Jesus was serious when he said that his people would be a chosen race, a holy nation, salt and light!*
- 3) ‘Consecrated’ is a Biblical term that is seen throughout the totality of God’s redemptive love story. 2 Corinthians 6:17 says, “Therefore, “Come out from them and be separate, says the Lord. Touch no unclean thing, and I will receive you.” 18 And, “I will be a Father to you, and you will be my sons and daughters, says the Lord Almighty.”*
